PURPOSE/BACKGROUND:

This bill will revise the zoning regulations governing small wind energy systems, expanding the zoning districts and circumstances in which such systems may be used in connection with both residential and nonresidential development. The revisions are consistent with State law, as well as with City plans and policies that encourage the use of alternative energy sources. The revisions include provisions to ensure that the use of such systems is compatible with surrounding uses.

RECOMMENDATION:

ADOPTION at 8/19/2009 City Council meeting as a First Amendment pursuant to the 8/4/2009 Recommending Committee.
